

MAROONED

No judge, no jury - confession signed
No mercy shown, fate's so unkind...
The setting sun - the crescent moon
I'm all alone, I've been marooned...

No Jacob's ladder - stairs that wind
No key to unlock these chains that bind...
The rusty voice - forgotten tune
I'm all alone, I've been marooned...

Marooned - Marooned
Burnin' salt, in an open wound...
Marooned - Marooned
Screwed, blued, and tattooed...

I'm out of my mind -
Out of my mind...
I think I'm goin' - out of my mind.

No intervention - light divine
No hope in hell, end of the line... of the line...
A lonesome highway - sandy dune
I'm all alone, I've been marooned...

Marooned - Marooned
Burnin' salt, in an open wound...
Marooned - Marooned
Screwed, blued, and tattooed...

I'm out of my mind -
Out of my mind...
I think I'm goin' - out of my mind.

The setting sun - the crescent moon
I'm all alone I've been marooned...
